COCKS LOVE VIVICA

Her five inch red strappy heels and long legs make Vivica J Coxx one sexy, hot babe.
But it's her fabulous chocolate booty that she like to shake around town.

"I never thought of myself as hot, until I crimped my hair and then men came out of the
woodwork hitting on me. When I wear my cfmps (come-fuck-me-pumps), it's like a guy magnet."

"I'm always asked if I've been with a girl yet. No, but I'm kinda looking forward to it. My best friend's girlfriend is gay and when we go out together, she's always suggesting we sleep together, but not so far."

"The next time I see her however, I'll be the aggressor and see if she wants to fool around. I think I can be a pretty good pussy licker. Don't you? Or, maybe I should just stick to boys. I know how to handle them."

you me and he knew you were my man so he and I were just friends. As a matter of fact, you even said what a nice guy he was and how my girlfriend lucked out to have him. You said that guys falls under the spell of a naked woman too easily and that pussy of mine has more power than I can imagine. It will turn any into a sniveling idiot just to have it. You were very convincing and it got me to thinking. You said once I experienced that power I would never be the same. And that got me very curious and the more that I thought about it, the more convinced I made myself that I could do it.

So I'm standing in front of the mirror. I was so nice and fresh and clean and all naked. I had left the door partially open so the steam would go out and I could see myself in the mirror better. That's when Terrence was going to use the bathroom. He probably thought I had finished in there and I gone back to my room so he just walked right in. We were both surprised. His eyes widened a lot and his jaw dropped to the floor. He just stood

MORNING SURPRISE

I'm writing this note to Deron because I know he buys these magazines. I wanted to explain what happened so that he would understand and not stay mad at me.

Deron, that night I was getting ready in the bathroom. I was standing in front of the mirror in the bathroom looking my pussy. Why was I looking at my pussy? Because you had told me that you would love to see it shaved and how nice that would be for you when you went down on me. Well. I decided to do it for you that morning and show you later.

I was just finishing my shower where I shaved it. It's kinda hard to see down there and with the water running and all. I thought I had shaved good and just wanted to see how it looked. I was still completely naked and just standing there. Now I see everything down there without my pussy hair getting in the way. I liked it. It was as sexy as you said it would be and I knew I would get used to it that way. Now my pussy lips and clit were really obvious along with my long slit. My pussy is up pretty high, with a lot of it in the front, not all hidden between my legs. With the hair all shaved, I just wasn't sure what I

thought about it. I was concerned it might make me look like a little girl. You said that was okay and I thought it was a little weird, but I think I now understand.

If you remember, Janiece and her boyfriend Terrence were staying with us. They were only there a while and I spent time with her doing her hair, nails and we went shopping a few times. He mostly hung around the house eating our food and watching basketball on the tube. We had gotten to be pretty good friends and Terrence was always a perfect gentleman around the place. And, if you remember, the two of

there staring at me and like that really amused me. We women see ourselves naked every single day so we really don't get what the great big deal is to see us. Seeing his stunned reaction, I wasn't at all embarrassed like I thought I would have been. I was feeling extremely flattered. He stammered an apology and was slowly backing out still staring at my naked body. This sudden introduction of himself into my private space got me all of a sudden very excited. I remembered what you said about you wanting me to let him see me naked and plus it was his last day with us and here he was and here I was already naked and well it all just seemed to be so perfect to do it I think you get my thought process. So I said, "No worries Terrence. No big deal and hey, since you've seen me naked now anyway, do me a favor and tell me what you think of shaved pussy? I just did it and I'm not sure if I like how it looks. Does it look stupid like a little girl or what? I just need to know.

I was in front of him with my feet a bit apart to give him a perfect view. He stood there in front of me and took a real long look and said: Are you kid-

ding me? No way! It looks really nice. It's beautiful like this. You're beautiful like this. I don't know how it looks with your legs apart, but standing there you look perfect! But this is where I must make a confession. And I can't even believe I did

this. I was so naughty because I just hopped up on the counter by the sink, placed my feet flat with my knees bent and my legs open and asked him what he thought.

Time out: I know that was a bit shocking to hear all this. Remember you have told me many times you want me to give you all the details no matter what happened and for me to tell you the whole truth and just how I was feeling about it all.

So I am going to take you at your word and do that. But be warned, there are some very sexy details coming up. So stop reading if you don't want to know them.

Time in. Now I'm sitting totally naked on the

bathroom counter next to the sink and I have my beautifully toned legs spread apart and my knees were pulled up and I have just asked this handsome man to take a close look at my exposed pussy and for him to tell me what he thinks of it – shaved. Well, he surprised me and quickly got down on his knees directly in front of me. He reached up and grabbed me by my bare hips and moved up close to my pussy pulling me towards him at the

same time. He dove his face straight into me and began by first inhaling deeply with his nose on my pussy. At that moment this man had me feeling like I was sitting at the very top of the world's highest, craziest, most giant roller coaster and I

was just about to take the wildest ride down of my entire life. He began to use his tongue expertly on my clit and my wonderful little labia, going all the way down my slit and all the way back up to my clitty – over and over and over again! He sucked on me and flicked my clit with his tongue back and forth and rolled his tongue in circles around it and I was going crazy. He would slide his tongue along my outer lips, down one side and up the other

and then reverse it and down the other side and back up the other. First one delicate lip and then the other, both sides, every inch of both lips. As he was doing the circles with his tongue on me, he gently slipped two fingers into my hot, wet, little pussy and curled them way up into me. This man hit my g-spot like he had been there

wouldn't forget a bit of it and I just let it keep happening. I was leaning back on the mirror and holding on to his bald head, pulling it and gasping so hard for breath as I was also moaning and panting and bucking and finally cumming over and over and over again. The waves just rippled through my pussy and my entire lower tummy and

hot, exhausted, and most of all very dizzy. I felt like my legs were going to give way. I had to gently pushed him away from my breasts so I could turn around and lean over on the sink counter to hold myself up and continue to catch my breath. He knelt down behind me and buried his face in my bare bottom licking my little butt, rubbing his

just don't pay attention when we women ask you something and you can so easily get sidetracked. I turned him around by his shoulders and gently pushed him out the door. Hey, he never even took his clothes off and most importantly, I didn't let him screw me or anything. Cause you know I am only ever going to be doing that with you. I hope you aren't too mad. You did tell me to let him see me naked and to give him a little treat before he left that he would never forget – right? Well, I think I sure did give him all that. See what you've made me do?! Here I am all worked up just writing this to you. I know I was really the one who was naughty and I'm pretty sure I should receive a good bare bottom spanking for my outlandish behavior. I can not wait to get alone with you, both of us all naked and hear you read it to me as I act it out for you. Or, better yet I think I will read it to you and you can play his part. You're the only man who can do it even better. Then you can spank me if you still want to. Or you can fuck me because I want to.

I really think you're going to like my shaved pussy. It's smooth and soft and waiting for you, so don't be mad and don't be late.

– Krista, waiting in LA

a million times before. I couldn't believe I could feel so many incredibly mind blowing feelings all at once.

Believe it or not, I was thinking of you. You are the only guy who has ever done all of this to me like this before. I was sure you had told him what I liked and exactly how to do it or something. Then I thought of how turned on you were going to get when I told you this later so I got my head back into the moment so I

he even made my butt cheeks spasm. And it all happened so fast. You would cum too just hearing what was happening. He stopped as quickly as he had started and he stood up and then I stood up. He leaned over, wrapped his arms around me and he sucked each of my nipples for about a minute as I was trying to cool down. He spins his tongue like something I've never felt before. That felt amazing too, but a girl can only take so much and I was sweaty,

face all over it, squeezing it with both hands. Even that felt wonderful. There was no end to what this guy could do. I know that I could have cum again but I finally got my breath back and I turned around facing him again and I said between panting breaths: I think I can take it that means you do like it then, right?

I was wondering if he even remembered my original question and why he was in here? You darn guys sometimes

A woman with dark hair and a bright smile is posing for a photo. She is sitting on a red couch, with her hands resting on her breasts. She is wearing a red top. The background features a green railing and a large potted plant. The text "ALIANA'S PLAY DATE" is written in large, white, outlined letters in the bottom left corner. A block of text in the top right corner describes her personality and the photo shoot.

She's a little bit shy and quite quiet. She says she's not very interesting and usually doesn't have anything to say. But when we put Aliana in front of the camera, it's like the spotlight came on and she was on stage. But she is so adorable and likes to have fun that we'll keep the lights on just for you.

ALIANA'S PLAY DATE

"I think kissing is the best way to get sex started. There's nothing sexier or a bigger turn on than a guy who knows how to kiss. If he's a good kisser and patient with me, I just might let him kiss me a little down lower. I can get wet just by good kissing. When I'm ready, dripping wet and can't wait for it any longer, I'll grab the guy's cock and stick it into my pussy. He'll know that I want him to fuck me."

Marie believes in giving it her all. She's always the first one to the location and first one to the set. But she wants the guy to be the first one to cum. If the shoot runs long, that's no problem. If the guy can't stay hard, she finds a way to do it. If we run out of coffee, we ask the PA to go. Marie can't be disturbed for that. Now that's our kind of doll.

House Party

school's back and there's no time to study

Lexa was entering her second year and a college near the outskirts of the sprawling Los Angeles metroplex. Her first year was relatively uneventful and she thought she had adjusted to college life pretty well. Perhaps this year she would be a little more adventurous but she'd still keep her grades up. She decided not to live in the dorm and found a house to rent with a couple other girls a few blocks off campus. She felt relatively safe but knew that her guard always had to be up. After the first couple weeks of school had passed and she had settled in to the academic routine, Lexa was getting a little cabin feverish because her roomies were bookworms and holed up in their rooms all night long. She wanted more so after a nice warm shower Lexa was eager to leave the house so she called her almost boyfriend, Morrow. He lived a short distance away and roomed with couple other dudes he's known since high school. They were party boys and went to their classes occasionally. Lexa tried not to get caught up in their antics, but the boy bond was often stronger than her's and Morrow's. Tonight though, she was going to coax him out of his house and take her out to dinner at a nice place.

She walked up to Morrow's door she thought about what he told her what clothes to wear. She imagined they were

going to an Italian or French restaurant. She dressed in a black mini skirt and black lace-up bustier that pushed her naked breasts into luscious half-mounds of flesh.

She knocked again slightly louder and the door swung opened. Sammy, who she knew as 'Rolphie' from school was standing in the doorway looking back at her. His curly hair was short and untidy and he looked directly at her. "Hey Lexa!" "Hullo!" Lexa replied. "Is Morrow in?" "Yeah!" He smiled. "He's expecting ya!" He stood to one side and she had no choice but to squeeze past him in the doorway. He grinned and made no attempt to show that he wasn't looking at her wobbling chest. As she walked towards the living room, she could feel his eyes checking her butt, so she put in a little extra wiggle in it for him.

Morrow, Holmes, Buster and Scoots were sitting watching a dirty movie on the TV as she and Rolphie walked into the room. "You wanna beer?" Morrow said without looking up from the screen which showed a naked woman and two men getting it on. "Sure!" Lexa replied as she took in the room, the occupants and the film that they were watching, wondering what the hell was going on and what she might be getting herself into. Morrow glanced up at her. "Look at those fucking boobs! Their awesome man!" Rolphie smiled. Morrow laughed. "See Lexa, even

my boys like ya!" "Good!" Lexa smiled nervously as Morrow patted the arm of his chair. "Come and sit down here and let's watch the movie!" Somehow she walked over to his chair and lowered her butt on the arm of the chair, only to feel Morrow's hand roam around her waist and settle on her bare thigh as her skirt rode up slightly. "I thought we were going out to dinner?" she whispered in his ear. Either pretending not to hear her, or avoiding her question he says, "Baby, I can't wait to get my hand on your gorgeous boobs!"

He smirked as he looked up at her. She smiled back feeling an immediate buzz of excitement run through her body at his words. She sipped at the beer and felt the cool liquid going down her throat. She glanced across at Buster who was fidgeting as he tried to obviously cover the tent in his pants. She smiled at him when they made eye contact. The movie ended and Morrow turned to the guys: "Nice boobs, huh?" he said as she felt his arm tighten around her waist pulling her closer into him. The guys agreed and Morrow smiled as he looked around at his gang. He pulled her closer again and looked up at her face. "Why don't you show them your boobs, baby!" He ordered without an expression on his face. Lexa froze and looked at him in shock before looking around the room at the group. She just stared blankly back at him. "I thought we were going out to dinner?" she repeated.

"We're not going anywhere unless you do what I asked." he said in a stern voice. He looked around the room at the expectant faces and then back at Lexa who nodded silently. "Okay, Morrow!" she said softly. Lexa lowered her small handbag and reached around back to unzip her bustier. She slowly lowered it as she looked around the room at those eyes that were now locked on her actions. She lowered it, fixing her eyes on theirs and realizing the power and control she had over them. Inch by inch she lowered it

until she suddenly pulled it completely off to gasps of appreciation. Morrow looked up at and grinned. She looked back at him and he nods towards the middle of the room.

The group was sitting around the room facing her and Morrow. She looked at each one in the eye and smiled feeling the cool air on her bare boobs making her nipples harden. She looked at each of them realizing her own and her body was such a turn on for them. Grinning, she dropped to her knees and smiled at her audience feeling a newly found confidence. "From what I see, looks like you guys like what you see." she says. Morrow laughed. Lexa looked directly at him at the same time lifting her hands to her breasts and squeezing them together as she did with her palms over her erect nipples. She pouted at him. "Is that okay Morrow?" He now grins from ear to ear looking back at her, feeling as proud as he ever could! And his cock was now rock hard in his pants. "Now show her what you guys got!" He says to them. They didn't need any further encouragement and dropped their trousers and pants very quickly before forming a circle around her. Her eyes lit up as she was suddenly surrounded by erect cocks and she looked at each one in turn with a broad grin.

Rolphie was first and took it in her hands before sliding her lips over the head and suddenly his cock was all the way into her hungry mouth. He grabbed the back of her head and forced it all the way in as she gagged

before allowing it in any further. After a few minutes, Rolphie pulled himself out of her hot mouth before another slightly longer cock appeared before her. Buster slid his hardness between her lips. She stretched her mouth around Buster's cock licking the head and sucking as she did. She could hear comments talking about what a good cock sucker she was. And now she could feel her

five minutes then come into my bedroom, over there." "Okay!" Lexa smiles feeling a real tingle of excitement all over her body now. After a few minutes she approaches the bedroom and enters. "Take it all off." He orders. She slides her fingers into her mini skirt and pushes it down. She watches as Morrow's hand started to slide up and down his long shaft slowly.

Her skirt hadn't even hit the floor when suddenly she felt his arms around her pushing her towards the wall. Lexa could feel his hardness in her back forcing her against the wall as one hand came around the front to squeeze her full young breasts and the other hand was pushing his hard fat cock between her thighs. She felt excitement at the thought of feeling his hard cock up inside her tight pussy. Then she felt it, she finally felt his cock head was against her pussy lips and she gasped with sheer excitement. He suddenly pulled Lexa's hips back and felt it enter her tight twat. She whimpered with a mixture of pleasure and pain as she felt his long thick cock push its way inside her. But the illusion of pleasure was over all too quickly as he pumped hard into her a dozen or so times before pulling out again. She turns around and drops to her knees taking his hardness into her mouth. She grabs his balls and gently twists them as her mouth

pussy getting damp. Buster pulled out and was replaced by Scoots who started to cum almost immediately. Lexa pulled away quickly as his cum splattered across her chest. Holmes grinned as he slid his much thicker cock between her lips and she gagged once again as he started to fuck her mouth before easing out. With glazed eyes Lexa looked up at Morrow as he stood nearby.

She was flat on her back squeezing her nipples as the four stroked themselves hard and furious over her gorgeous young body. Hot juicy cum seemed to spray from every direction as they came one by one, each being cheered by the others as they did before Lexa finally lay still, covered in their hot juices. Morrow drops down a towel for her to wipe the cum from herself. With a quick shake of his head, the group is instructed to leave the room and clean themselves up too. Morrow turns to her. "Give me

works it way up and down his cock. Pushing it up against his belly she takes one ball and then the next into her mouth. Slurping and sucking, she makes Morrow weak in the knees and he forces himself over to the bed and sits on the edge dropping back so she can finish him. Back to his cock, her head goes straight down on it, all the way down so she can lick his balls with her tongue. He moans in pleasure as he lifts his legs and wraps them tight around her head to keep her head there. Then, with three great thrusts, his cock tightens up and shoots a hot stick load deep down her throat and she has no choice but to swallow it.

Holding her head there, she feels his cock going limp in her mouth and finally his legs release their grip and she stands up. "Okay Morrow, zip it up; get up. You're taking me to dinner."

Back to his cock, her head goes straight down on it, all the way down so she can lick his balls with her tongue.

"I have had a rough time meeting the right guy. I think they are all after my butt and boobs, but there is more to me than the huge lumps on my chest. I like to play with dildos when there is no guy around – and that can be quite often. I have about ten different ones and I carry one in my purse for those uncontrollable moments when I'm not at home and need satisfaction."

ANNABELLE LOVES HER BOY TOY

A woman with long, dark, wavy hair is lying on her back on a dark brown leather couch. She is topless, with a white lace strap draped over her right shoulder. Her eyes are closed, and her mouth is slightly open, showing her teeth. She has a relaxed, possibly seductive expression. The couch has a textured leather surface with visible stitching.

"Even though I'm shy, I lose all my inhibitions when I'm with a guy. Not having any clothes on tends to make me more affectionate and aggressive. And guys just love a forward girl. I hope when we meet, you'll understand that I'm not cold, just a little shy. But that's a good thing."
